This Appendix is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the grant of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,002,557,000 Shares.

Subject to the passing of the ordinary resolution set out in item 5 of the notice of the Annual General Meeting in respect of the grant of the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of / no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 1,002,557,000 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, an aggregate nominal amount of Shares up to HK\$1,002,557 (equivalent to 100,255,700 Shares), representing 10% of the aggregate nominal amount of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR REPURCHASE OF SHARES

The Directors believe that the grant of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply the Company's available cash flow or working capital facilities which will be funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

The Directors propose that the repurchase of Shares under the proposed Share Repurchase Mandate would be financed from the Company's internal resources.

4. IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the

annual report of the Company for the year ended 31 December 2012) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months were as follows:

6. GENERAL

To the best of the knowledge of the Directors and having made all reasonable enquiries, none of the Directors nor any of their respective associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the grant of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the grant of the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following entities were directly or indirectly interested in 5% or more of the issued Shares:-

Government of Singapore Investment Corporation Pte Ltd	60,256,000	Investment Manager	6.01%

Assuming that no further Shares are issued between the Latest Practicable Date and the date of a repurchase under the proposed Share Repurchase Mandate, in the event that the Directors exercise the power to repurchase Shares in full in accordance with the proposed Share Repurchase Mandate, the aggregate shareholding of the above Shareholders in the issued share capital of the Company would be increased to:-

Name of Shareholders	Approximate percentage of shareholding if the proposed Share Repurchase Mandate is exercised in full
PUD	28.70%
FIL Limited	12.22%
The Capital Group Companies, Inc.	7.52%
Government of Singapore Investment Corporation Pte Ltd	6.68%

The Directors are not aware of the consequences of such increases or as a result of repurchase of Shares that would result in any of the aforesaid Shareholders or any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. Moreover, the Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public falling below 25%, the prescribed minimum percentage required by the Stock Exchange.

8. REPURCHASE OF SHARES MADE BY THE COMPANY

During the 12 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
